Re: *United States v. James T. Booth*, 19 Cr. 699 (JGK)

Dear Judge Koeltl:

On November 17, 2020, at the sentencing of the above-captioned defendant, Your Honor ordered the parties to submit a statement on victim loss amounts with respect to restitution by January 8, 2021. The Government writes to request a 30-day extension of that order. Defense counsel consents to this request. The additional time is needed to gather information regarding settlement agreements reached by certain victims and the broker-dealers formerly associated with the defendant. The Government has made repeated attempts to gather such information, but has yet to receive the relevant information from the broker-dealers. Accordingly, the parties respectfully request that they have until February 8, 2021 to submit victim loss amount information to the Court.

Respectfully submitted,

AUDREY STRAUSS
Acting United States Attorney
